Founded in 2017, the Neurodiversity @ Work Employer Roundtable is a collection of employers committed to neurodiversity-focused hiring initiatives. Though we span many industries, we share a belief that organizations thrive when they tap into the unique talents of their employees, and individuals thrive when they can present their best self at work. We strive not only to match neurodivergent job seekers with meaningful jobs but also to provide the training and support needed for career growth and success.

The Federal Government is actively recruiting and hiring persons with disabilities. We offer a variety of exciting jobs, competitive salaries, excellent benefits, and opportunities for career advancement.

Hiring people with disabilities into Federal jobs is fast and easy. People with disabilities can be appointed to Federal jobs non-competitively through a process called Schedule A. Learn how to be considered for Federal jobs under the noncompetitive process. People with disabilities may also apply for jobs through the traditional or competitive process.
